

Services available from our office

The range of services that is now offered to our members and voluntary groups based within the north of East Ayrshire has expanded to include an IT suite and photocopying facilities.

The IT suite is open to all members and any voluntary groups within the north of East Ayrshire which requires access to a computer and the Internet. This service is **FREE** and is available between 10am until 3pm. Anyone who is not computer literate and perhaps not too confident in using computers can get support from our staff.

Black and white photocopying facilities are also available at a small charge for paper used. For a full list of the services provided and associated costs, please contact the office.

We are also offering out our premises (after office hours) to community groups for meetings, training and so on.

If you are interested in any of these services please call Heather or Jan on 01563 572712.

The Federation's vehicle is available to any member who requires it to undertake the work of the Federation or to simply take to an event to advertise the Federation's work.

Contact the Office for availability on 01563 572712.

East Ayrshire North
Communities Federation Ltd

Involving Communities

*Together, we really can make a
difference - helping to make
East Ayrshire a good place
to live and work.*

Established in 2005, East Ayrshire North Communities Federation Limited (EANCF Ltd) operates within the areas covered by the Community Planning Forums, namely Northern Area, Central North and Central South which comprises of Wards 1 to 6.

Mission Statement

To involve communities within the North of East Ayrshire in the processes that affect them and to assist in working partnerships between the Federation and communities to help provide safer and more active communities.

Our Objectives

EANCF Ltd has identified 4 targeted objectives:

- Community Capacity Building
- Kilmarnock Town Centre Regeneration
(Includes an established Shopmobility Scheme)
- Improving the Environment
- Improving Opportunities for Young People

How We Will Achieve Our Objectives

In order to achieve our objectives EANCF Ltd expects to work closely with Community Planning Partners, Special Interest Groups, the Business Community and the community as a whole.

EANCF Ltd, believes that by doing this we can work together for the benefit of our communities, help make a contribution to the following:

- Active Communities
- Inward Investment
- Transport Infrastructure
- Neighbourhood Centre Development
- Safer Communities
- Attractive Communities
- Protecting & Improving the Environment
- Providing Cultural, Recreational & Leisure Facilities
- Education & Training
- Healthy Lifestyles
- Positive Alternatives to Drugs

How EANCF Ltd Could Help

Do you have an idea to improve the area in which you live?

EANCF Ltd could assist in helping your idea become a reality. Working in partnership with EANCF Ltd could enhance your prospects of gaining vital funding to ensure that your project is successful and benefits the whole community.

If you have an idea about how your community could be improved and would like further information on how EANCF Ltd could assist your project then please contact the EANCF Ltd Office on:

01563 572712 or alternatively email your query to inbox@eancf.com

Successful Partnership Working

Kilmarnock Shopmobility

A successful partnership between East Ayrshire Council and East Ayrshire North Communities Federation has resulted in the Implementation of the Shopmobility Service in Kilmarnock.

Situated within Kilmarnock Bus Station, this **FREE** service is open to all registered users.
